

Best Foot Forward Launch in Osceola County and City of Kissimmee

Agenda

Monday, October 30, 2017, 11 a.m.

Osceola County Commission Chambers

1 Courthouse Square, Kissimmee, FL

Why Best Foot Forward:

Nowhere else in the nation do walkers and drivers collide more often than on the streets of Central Florida. Statistics tell us three people walking are injured every day and one is killed every week. It's no wonder the region consistently ranks as one of the deadliest for walkers in the nation.

Best Foot Forward, a community-wide coalition formed to reverse this trend, is expanding its "Triple E" program to Osceola County - designed to change both drivers' and pedestrians' behavior through combining Education, Engineering and Enforcement.

Welcome:

- Harry Barley, Executive Director, MetroPlan Orlando
- Commissioner Cheryl Grieb, Osceola County
- Mayor Jose Alvarez, City of Kissimmee
- Edward Johnson, CEO, LYNX
- Linda Clarke, Nursing Program Specialist, Florida Department of Health in Osceola County
- Dr. Debra Pace, Superintendent, School District of Osceola County
- Kissimmee Police Chief Jeff O'Dell
- Osceola County Sheriff Russell Gibson
- Amanda Day, Executive Director, Bike/Walk Central Florida
