

In October 2020, Orange County formally kicked off **Vision 2050** – a new comprehensive plan for smart, thriving, and healthy growth in our region that guides how and where growth occurs.

Two of three virtual Town Hall Meeting Series for Vision 2050 were completed earlier this year and provided an overview of the countywide Vision 2050 framework and a new approach to land use management using Planning Sectors & Place Types.

Starting in late May and concluding in early July 2021, the **3<sup>rd</sup> and final Vision 2050 virtual Town Hall Series** will occur.

This series will feature ‘Orange Code’, the county’s updated zoning code that implements the Vision 2050 comprehensive plan. Orange Code is form-based, meaning it will regulate development and manage compatibility by addressing building form (height, setbacks, lot coverage) ahead of building use. The code update will more clearly direct development outcomes, in line with the Place Types and other built environment goals within Vision 2050.

Unlike the 1<sup>st</sup> two Vision 2050 Town Hall Meeting Series that focused on specific market areas, each of the six (6) meetings in Series 3 will have a countywide context. The first two meetings will be used to introduce the new Orange Code format as well as the concept and purpose of transect zones. The 3<sup>rd</sup> and 4<sup>th</sup> meetings will be devoted to the proposed transect zones and their allowable uses. Finally, county staff or representatives will present other aspects of Orange Code and respond to public feedback during the 5<sup>th</sup> and 6<sup>th</sup> meetings.

Your continued engagement, participation, and input during this important initiative is appreciated!

- Town Hall Meeting #1: Tues., May 25, 2021 – 6 pm
- Town Hall Meeting #2: Wed., May 26, 2021 – 6 pm
- Town Hall Meeting #3: Mon., June 7, 2021 – 6 pm
- Town Hall Meeting #4: Tue., June 8, 2021 – 6 pm
- Town Hall Meeting #5: Wed., July 7, 2021 – 6 pm
- Town Hall Meeting #6: Thurs., July 8, 2021 – 6 pm
